University of NSW / ICAS Competitions

The International Competitions and Assessments for Schools (ICAS) are independent skills-based assessments. Commonly referred to as the UNSW tests, ICAS is unique, being the most comprehensive generally available suite of academic assessments and school tests for primary and secondary school students.

Florey Primary School would like to offer students in **years 3 to 6** the opportunity to participate in the program. The tests are completed at Florey Primary School and are supervised by a teacher at the school. These tests give students an opportunity to experience working in test conditions. The test cost includes the marking of test papers and the printing of an individualised report that outlines strengths and areas for development. **Please note that all tests will now be digital (i.e. online using Chromebooks) except for year 3 and year 4 writing which will be a paper test.**

This year the test dates for Florey Primary School and costs are:

Digital Technologies	Tuesday 3 September	COST: \$14.50
Science	Thursday 5 September	COST: \$14.50
Spelling	Thursday 12 September	COST: \$14.50
Writing	Tuesday 10 September	COST: \$14.50
English	Tuesday 17 September	COST: \$14.50
Mathematics	Thursday 19 September	COST: \$14.50

These tests are not compulsory. If you would like your child to participate in one or all of the tests please complete the attached form and return it to the school along with full payment. Students cannot participate in the competitions unless both the note and the payment have been returned by Thursday 8 August 2019. **This closing date is important as the test papers and access codes need to be ordered and sent to the school.**

Please do not hesitate to contact me if you have any questions about the competitions.

Adam Chad

Executive Teacher / Competitions Coordinator
