Harmony Day 2020

Friday 20 March at Florey Primary School

What will it look like?

Dear parents and carers,

Harmony Day will not happen, as we know it, this year.

I know that many families will be disappointed as they have put a lot of work into supporting their children for performances, learning scripts for the assembly and supporting them with learning special greetings.

The effort will be rewarded eventually as we are hoping that the Harmony Day assembly and feast will go ahead later in the year when the time is right. We just don't know when that will be.

The activities on Harmony Day that are **cancelled** include the:

- **Harmony Day Assembly**
- **Special Morning Tea for visitors, parents and carers**
- **Harmony Day Feast**

The activities that will still go ahead:

- Students can wear their cultural costumes if they want to.
- Students can buy special multicultural snacks from the canteen during the week.
- Students can have a special lunch prepared from home for Harmony Day (**not to be shared**)
- Students can order lunch from the canteen as usual
- Classes will engage in Harmony Day activities in their classes and in their grade units.

To the students, parents and carers that have worked with me this term and offered their assistance to put together a fantastic Harmony Day assembly and Feast your effort is much appreciated. I will let you know when we need to get ready for the next one.

Let's make this Friday the best day that we can.

Sue Amundsen

Amy Czoban (EAL/D Executive teacher)
