## Student Celebrations...

On Saturday morning a year 5/6 girls team and a boys team entered the year 5/6 athletics team challenge. Our students certainly made us proud as they competed in event after event. (it was non stop and they were exhausted but never gave up). The students who represented our school were: Jonas, Ryan, Vasu, Matthew, Leon, Chloe M, Selam, Eva, Esther.

The highlight for myself was young Matthew (our vision impaired student) competing in the hurdles event. The organisers of the event supported him and he experienced wonderful success as he jumped every hurdle. Other highlights were Leon taking out third place in the 60m sprint and Chloe taking out third place in the girls shot put with a 6m 90 throw. Both students received a baton from either the Olympic games or commonwealth games. Young Selam also made it into the 1k elimination final and had a strong chance of success, however, had to withdraw due to medical reasons.

The students got to mix with para Olympians, the Capitals and students from other schools.

A huge thank you to Bron W, Kate A and Bethany who supported our students on the day. Also thank you to Bruce who organised for our teams to compete.
