Snack Shack News...

Save Time! Order Online! - www.flexischools.com.au

What a massive night last Friday's Disco was!! The junior disco in particular was the busiest we have ever seen! Thank you so much to all of our parent volunteers for helping on the night, and thank you also to the teachers for being there as well. You are all stars!!

As some of you may be aware, Flexischools are having intermittent connection problems. This is particularly apparent on Friday mornings. Lisa has spoken with the technical team at Flexischools and they have advised her that they are doing everything they can to fix the problem. Flexischools have suggested parents could put their Friday order on the night before. The issues they are experiencing with their server at present is nation wide. We would really love your patience with this issue and please remember you can always place an order for your child's lunch at the Canteen in person. Thank you for your understanding.

Choir News...

This year Junior Choir (years 1-4) will be held in the Music Room on a Tuesday from 1:05pm.

We are currently learning scales, rounds, and three songs 'Sea Shells', 'Louise' and 'I Can See Clearly Now'.

Students who wish to participate in choir will be asked to make a commitment to regular attendance.

A roll will be taken at the end of each session.

We are looking forward to our first public performance at the week 9 assembly.

If you have any questions please contact Amanda at Amanda.downing@ed.act.edu.au or Penny at Penelope.acheson@ed.act.edu.au.

Crossing Supervisor Survey

A School Crossing Supervisor program was introduced in the ACT in 2018 at a selection of school crossings. School crossing supervisors (lollipop people) assist children to cross roads safely by directing traffic with a stop sign and providing instructions to students.

To help determine if the program is successful, Transport Canberra and City Services (TCCS) has engaged First Person Consulting to evaluate the School Crossing Supervisor program. One of the ways that they will be doing this is through surveys to help capture attitudes to children travelling actively (i.e. walking or riding) to primary school.

To complete the survey please click [here](https://www.surveygizmo.com/s3/4828046/School-Crossing-Supervisor-Survey-Participating-Feb-19), or copy and paste the following link into your browser: <https://www.surveygizmo.com/s3/4828046/School-Crossing-Supervisor-Survey-Participating-Feb-19>

The survey should take about five minutes. The survey will not collect any identifiable information, and all responses will be kept confidential. You may have completed a similar survey last year. Please note that this is a follow up survey and we would appreciate your input again.

Thank you in advance for your time in completing this survey. If you have any questions please contact [TCCS' Schools Program](#).
