Proposed School Bus Changes for 2019

Exciting improvements to Canberra's entire public transport network are planned to support Canberra to remain one of the most liveable cities in the world. Transport Canberra will release detailed school and general bus timetables and route information in late 2018 before the new bus network starts early in 2019.

Transport Canberra have provided the following information about the planned changes. The message includes the link to www.canberrabuses.com.au and yoursay.act.gov.au to provide feedback on the new network.

Specific details for Florey Primary School

Route 45 provides access all day to and from Holt, Latham, Florey and Belconnen. Students can connect at Kippax Bus Station and Belconnen Bus Stations.

Florey Community News...

Could all parents/carers please remember that all animals (except assistance animals) are NOT permitted on the school grounds, even if they are on a leash.

We have a number of families that have a fear of animals and we would like to keep our grounds clean.

Your assistance in this matter is appreciated.
