## Community Forum on the plans for New Building

Dear Parents, Carers and Community members,

Due to a delay in the tender evaluation process, the planned community forum on Monday 20 March will be postponed until Wednesday 5 April at 6:00 pm.

The forum will focus on the plans for the modernisation project for our school. Guests will include members of the ACT Government, the Education Directorate and the successful building company.

All members of our community are welcome. I look forward to sharing this exciting next stage with you on the evening.

Sincerely,

David McCarthy  
Principal
