Important Information for Parents/Carers...

As you will be aware, the ACT Government is introducing a new integrated public transport network including bus and light rail services for Canberra for the beginning of Term 2, 2019.

The Government has recently released timetables for the new network, which will commence on **Monday 29 April 2019**.

I would encourage all schools, parents and students to find out how they can use the new services from Term 2 by:

- Planning their journey to and from school in the improved Transport Canberra journey planner at www.transport.act.gov.au, which includes dedicated school services for the first time; or
- Using the school pack that shows all the different services available for your school at www.transport.act.gov.au/getting-around/new-network/schools/schools-a-z-listing.

Students are to wear appropriate clothing to run in (house colours if suitable), as well as appropriate clothing to keep warm while supporting the other age groups. Water bottles, sun safe hats and sun cream are also required, and normal eating times apply.

We are strongly seeking any parent helpers to support us with checkpoints and small jobs to assist in the smooth running of this event. If you put your name down at the beginning of the year to assist in school events or are interested in helping in any way please contact the front office: admin@floreyps.ed.act.edu
