Heart Foundation
Jump Rope for Heart

This year our school is participating in Jump Rope for Heart on Wednesday 12 September – a fantastic physical activity and fundraising program by the Heart Foundation that has been running for 35 years. Students will participate in a rotation of activities with their class to improve heart fitness.

It's important you register your child online, so they can receive the full benefits of the program and participate in online fundraising.

Sign your child up for online fundraising by visiting www.jumprope.org.au

Thank you for supporting the Jump Rope for Heart program!

Yours sincerely,

Louise Tominich
Jump Rope for Heart Coordinator
