To commence in Term 2  
during school terms

Call now to register your interest.

Florey Early Links to Learning creates opportunities for parent and child to socialise with one another as well as other families whilst creating opportunities to participate in early learning literacy activities to build vocabulary and language skills.

Florey Early Links to Learning is for children who may be starting preschool at Florey Primary School in 2019. Through exposure to the school environment and by engaging in group play and following a routine of activities, this program can assist children to transition in to preschool.

This playgroup is delivered in partnership between Florey Primary School and BCS Family Support Program.
