University of NSW / ICAS Competitions

9/2/18

The International Competitions and Assessments for Schools (ICAS) are independent skills-based assessments. Commonly referred to as the UNSW tests, ICAS is unique, being the most comprehensive generally available suite of academic assessments and school tests for primary and secondary school students.

This year Florey Primary School would like to offer students in **years 3 to 6** the opportunity to participate in the program. The tests are completed at Florey Primary School and are supervised by a teacher at the school. These tests give students an opportunity to experience working in test conditions. The test cost includes the marking of test papers and the printing of an individualised report that outlines strengths and areas for development.

This year the test dates for Florey Primary School and costs are:

Digital Technologies	Wednesday 9 May	COST: \$9.90
Science	Wednesday 30 May	COST: \$9.90
Spelling	Wednesday 13 June	COST: \$13.20
Writing	Friday 15 June	COST: \$19.80
English	Wednesday 1 August	COST: \$9.90
Mathematics	Wednesdday 15 August	COST: \$9.90

These tests are not compulsory. If you would like your child to participate in one or all of them please complete the attached form and return to the school along with payment. Students cannot participate in the competitions unless both the note and the payment have been returned by Thursday 29 March 2018.

This closing date is important as the test papers need to be ordered and sent to the school.

Please do not hesitate to contact me if you have any questions about the competitions.

Adam Chad

Competitions Coordinator
