Things my young child has done

The following is a checklist of characteristics of gifted young children. The examples after each item are there to help you to understand that item. A child may not show all of the examples given and they may exhibit the item characteristic in ways not listed. Indicate how much you think this child is like the item by using the scale below each item. Mark strongly agree (SA) to strongly disagree (SD). Fill in one circle for each item. If you are unclear or haven't noticed how this child compares to an item, fill in the **Unsure or don't know** circle. Use the space below the item for examples concerning your child, add as many details as you can remember. Be as specific as possible in describing the child's interests and accomplishments. The space is small, so please feel free to add extra pages of stories or examples to tell us more. If you can share copies of this child's creative work, we would be delighted to have them. Use additional pages to describe anything you think is important about this child that we have not asked about.
